

Anglican Church in America

(Traditional Anglican Communion)

Triennial National Synod

Portland, Maine September 21-23, 2005

Invitation to Exhibit

The Anglican Church in America is growing rapidly, not only in the United States but also in Puerto Rico and Latin America. This is your chance to reach many new parishes as well as existing parishes, seminaries, and individuals who are interested in purchasing church supplies, furnishings, equipment, software, teaching materials, books, etc. In 2005 the triennial National Synod will be adding trade-show exhibits to synod events *for the first time ever*. This excellent opportunity to make your company known will occur only once every three years.

We are making sure that the 200-250 clergy, lay delegates, and other attendees will have ample time to visit vendors by holding the Welcoming Reception, continental breakfasts, and lengthy coffee breaks in the exhibit hall at the Eastland Park Hotel. You will also be able to meet with synod attendees over lunch and optionally at events like the Synod banquet. A list of registrants will be provided after the event.
